

MOBILE ELECTRIC STAND
FOR INTERACTIVE FLAT PANELS
Avtek TouchScreen
Electric Stand V2

Avtek

Inspire | Engage | Lead

Mobile electric stand is a perfect solution for users who want to maintain maximum convenience when using the interactive flat panel. Thanks to its design it works even with 86" monitors.

Safe and simple adjustment is effortless, so presenters do not have to worry about height management - it can be done efficiently and accurately by using a remote control, control panel or even straight from the interactive flat panel!

Electric adjustable height control

Robust build

Additional tray for accessories

Rubberized rolling caster
